

Eirtech Aviation Engineering Capabilities

A319	A319 Projects
A319	Cabin Reconfiguration
A319	CAM Reprogramming
A319	Emergency Equipment Reconfiguration
A319	EO for External Livery (Including Livery Stencil Kit)
A319	IFE Removal/Deactivation
A319	Installation and Supply of Data Plates
A319	Metric Altitude Display on PFD
A319	Multilingual Interior and Cargo Placards Installation
A319	Portable ELT Installation
A319	QNH/QFE BARO Setting Activation
A319	Windscreen Observer Window Replacement
A320	A320 Projects
A320	Cabin Reconfiguration
A320	Carpet and Curtain Installation
A320	Emergency Equipment Reconfiguration
A320	Emergency Escape Path Marking System Revision
A320	Emergency Exit Hatch Flap Replacement
A320	External Livery Drawing Package (Including Livery Stencil Kit)
A320	GPS Installation in OEM Provisions
A320	IFE Removal/Deactivation
A320	Installation of CPDLC/Delink+
A320	Installation and Supply of Data Plates
A320	Installation of Interior Multilingual Language Placards
A320	Installation of Oxygen Generator and Oxygen Masks
A320	Mode S Code Change
A320	Portable ELT Installation
A320	PSU Reconfiguration
A320	Removal of Oven and Installation of Blanking Covers
A320	Seat Belt Modification
A320	Stowage Closet Installation
A320	In-Seat USB Power Installation
A330	A330 Projects
A330	Avionic Transition Modifications
A330	Cabin Reconfiguration
A330	Carpet Change
A330	CPDLC / ACARS Installation

A330	Emergency Equipment Change
A330	External Livery Drawing Package(Including Livery Stencil Kit)
A330	Galley Trolley Reconfiguration
A330	GPS Installations in OEM Provisions
A330	Heated Floor Panel De-Activation
A330	Interior & Exterior Dual Language Placard Change
A330	Mandatory Placard Installation and Fabrication
A330	Registration Plate Installation
B737	B737 Projects
B737	ACARS Installation
B737	Air Conditioning Pressurisation Ascent/Descent Rate
B737	Cabin Altitude Warning System
B737	Cabin Reconfiguration
B737	Cockpit Door Surveillance System
B737	Cockpit USB Power
B737	Control Wheel PTT
B737	Crew Oxygen Masks Installation
B737	Dual Battery STC Reversal
B737	EGPWS Callouts
B737	Emergency Escape Path Lighting
B737	Emergency Locator Transmitter Installation
B737	Galley Cart Conversion
B737	IFE De-activation & Removal
B737	Installation of Baby Bassinet
B737	Interior Multilingual Language Placards
B737	Livery Drawing Package (Including Livery Stencil Kit)
B737	Mode S Address Code Change
B737	Movable Class Divider Installation
B737	Overhead Stowage Bin Door Removal and Installation
B737	Panasonic IFE Installation
B737	Portable EFB Power Supply Installation
B737	Pre-recorded Announcement Machine
B737	Replacement of Galley Ovens and Water Boilers G1, G2 & G4B
B737	Seat Belt Modification
B737	SELCAL System Installation
B757	B757 Projects
B757	Cargo Floor Modification
B757	In-Seat USB Power Installation
B757	Emergency Equipment Change
B757	ATC Control Panel Replacement

B757	ADC Altimeter Inputs Modification
B757	Water Boiler Installation
B757	External Livery Drawing
B767	B767 Projects
B767	Cabin Reconfiguration
B767	Emergency Equipment Revision
B767	EGPWS Callout Change Modification
B767	Flight Deck Seat Replacement
B767	In-Seat USB Power Installation
B767	Soap Dispenser Installation
B767	Cargo Placards Installation
B767	IFE Harness Installation
B767	GPS Installation
B767	Livery Drawing Package (Including Livery Stencil Kit)
B767	Seat Cover Change
B777	B777 Projects
B777	External Livery Drawing Package
B777	Mode S and SECAL Change
B777	External VIP Livery
ATR72	A7R72 Projects
ATR72	ACSS TCAS Change 7 IL Upgrade
ATR72	Carpet, Curtain and Coin Matting Modification
ATR72	Thermo-Acoustic Lining Replacement
ATR72	External Livery Drawing Package
