

# Eirtech Aviation

## CONNECTIVITY SOLUTIONS

Eirtech Aviation is a leading connectivity support provider for Operators who wish to install connectivity solutions on their aircraft. Regulatory Certification, Engineering Data Package, Testing, Materials procurement and Installation Kit Production can be provided in one convenient package.

### COCKPIT iPAD® MOUNT

Eirtech Aviation offers a flexible, versatile, fixed cockpit mounting solution for tablets, which offers practicality and security.

### IN SEAT USB POWER

Eirtech Aviation have developed an In Seat USB Power solution for retrofit onto existing seat types. The increasing use of portable electronic devices (PEDs) on board aircraft means that more and more airline passengers require the ability to charge their device during their flight.
